Subject: FW: RHIIP Listserv #227 - Use of EIV Must be Resumed by Multifamily Users

RHIIP Listserv Posting # 227**June 8, 2010**

Welcome to the MULTIFAMILY HOUSING RENTAL HOUSING INTEGRITY IMPROVEMENT PROJECT (RHIIP) LISTSERV that brings you up-to-date RHIIP related publications, news, information and occupancy tips in an effort to help reduce errors in rent determinations and subsidy calculations.

**Use of EIV
Must be Resumed by Multifamily Program Users**

Please be advised that Multifamily Program users must resume use of EIV in its entirety effective immediately. All Income Summary Reports are available to meet requirements for EIV use as defined by the Final Rule effective January 31, 2010.

At this time, the Income Detail Reports remain unavailable. Users will experience an error message should they attempt to access these reports. These reports are not necessary to complete tenant third party income verifications as the Income Summary Reports by individual will provide the tenant income data.

Please note, users may receive a "Closed Connection" message when they attempt to login to EIV during peak periods due to limited system resources. Should this occur, users should wait a few moments and attempt to login again. Issues with the Detail Reports and connectivity should be resolved no later than September 2010.

Thank you again for your patience during the EIV system upgrade. We will keep you informed of any new developments with the system.

We hope that you will want to continue receiving information from HUD. We safeguard our lists and do not rent, sell, or permit the use of our lists by others, at any time, for any reason.
